**A CATHOLIC CALL TO POLITICAL RESPONSIBILITY**

The Catholic Community is a diverse community of faith, not an interest group. Our Church does not offer contributions. Instead, we raise a series of questions, seeking to help lift up the moral and human dimensions of the choices facing voters:

- 1) How will we address the growing number families and individuals without affordable and accessible health care, better protect human life and respect human dignity.
- 2) How will our society combat continuing prejudice, overcome hostility toward immigrants and refugees, and heal religious bigotry, and other forms of discrimination?
